The week's plan as a checklist

Plan and schedule a week of posts in one sitting · ProfileScan Blog

Have these ready before you sit down

[ ] The hours your followers are online, from your insights

[ ] The list of questions from your comments and DMs, with a tally next to each

[ ] The photos and clips from the last two weeks, in one folder

[ ] The dates of the coming week: opening hours, events, deliveries, holidays

[ ] Last week's posts, with the one that did best marked
